**Re: Ex Parte, WC Docket Nos. 10-90, 07-135; GN Docket No. 09-51;
CC Docket No. 01-92**

Dear Ms. Dortch:

This is to inform you that on May 27, 2011, Hector De La Torre, Vice President, Regulatory Affairs and Communications, Free Conferencing Corporation, and Amy Mehlman of Mehlman Capitol Strategies, Inc. met with Geoff Blackwell and Cynthia Bryant of the Consumer and Governmental Affairs Bureau and Irene Flannery of the Wireline Competition Bureau.

The Free Conferencing Corp. representatives discussed the above-captioned proceeding, focusing on intercarrier compensation and the proposals to address access stimulation. Specifically, Mr. De La Torre and Ms. Mehlman discussed the High Value Access Tariff proposal made by Free Conferencing Corp. in its comments (pp. 36-43) in the above-captioned proceeding. They also discussed proposals made by other parties on this issue, including minutes of use caps and traffic imbalance ratios, in accordance with Free Conferencing Corp.'s May 26, 2011 *ex parte* filing in the above-captioned proceedings, and the effect these various proposals would have on Free Conferencing Corp.'s service in tribal lands and native communities.

Please do not hesitate to contact me with any questions.

Respectfully,

_____/s/_____
